Everything to know about your Equinox EV begins here

The big day is here. You're ready to begin your Equinox EV adventure and we want to help you get everything you can out of this electrifying experience.

When you scan the QR code below, you'll be connected to essential information designed specifically to help you learn about driving, charging and enjoying your Equinox EV, including:

- **Informative videos**
- **Step-by-step how-to instructions**
- **In-depth home and public charging options**
- **Technology tutorials**
- **Driving tips**
- **And so much more**

Thank you for choosing Equinox EV. We are excited to be a part of your all-electric journey.
